

Environmental Compliance

Knowles is committed to protecting the environment by providing products that meet relevant environmental specifications including:

RoHS

Products supplied by Knowles are in compliance with Directive 2011/65/EU of the European Parliament and of Council of 8 June 2011 and its amendment Directive (EU) 2015/863 of 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronics equipment (RoHS Directives). Certain products may contain lead that is compliant in accordance with the RoHS exemptions.

REACH

Products supplied by Knowles are "articles" as defined by Regulation (EC) No. 1907/2006 and do not release substances under their normal use. Therefore, our company has no obligation for registration nor to provide safety data sheets (SDS). To the best of our knowledge, our products do not contain any substances subject to Annex XVII restrictions. We monitor the status of the REACH SVHC candidate list as part of our ongoing compliance to the REACH regulation.
