Policy Statement

Knowles Corporation and its subsidiaries worldwide (collectively, “**Knowles**”) understand that our success depends on our reputation for ethical business performance and performing our jobs honestly, diligently and with integrity, in compliance with all applicable laws and regulations. Consistent with our commitment to conduct business fairly and honestly, we seek out business partners who share in our culture, values and business practices. This Supplier Code of Conduct (this “**Supplier Code**”) is an extension of the Knowles Corporation Code of Business Conduct and Ethics (a copy of which may be found at <http://www.knowles.com>, under the Governance section) and establishes the standards for conducting business with Knowles.

For the purposes of this Supplier Code, “**Supplier**” means any company, corporation or other entity or person that sells, or seeks to sell, goods or services to Knowles, including the Supplier’s employees, agents, subcontractors and other sub-tier sources.

Supplier is responsible for communicating the contents of this Supplier Code to its officers, directors, employees, agents, subcontractors and sub-tier sources who are involved in the procurement and production process related to products and services provided to Knowles.
